HOME SCHOOL USE OF DISTRICT TEXTBOOKS

- Home school students who reside in South Eastern School District are entitled to use the assigned grade appropriate textbooks as those enrolled in the public school system.
- If you wish to utilize the district textbooks, please fill out the request form below and forward to the school office in which your child would attend if he/she were enrolled in the public system.
- Once, and if the textbooks are available, the school office will contact you to pick up the books within 5 days of the initial requests.
- All borrowed textbooks must be returned to the school in which you borrowed them from before the last full week of school.
- The borrowed textbooks will be inspected upon return for excessive wear. If the textbooks are determined to have been abused, the parent will be charged for the replacement cost of the book and the used book will be given to the parent.
